

CONSENT FORM FOR PARTICIPANTS IN RESEARCH PROJECTS

Please complete this form after you have read the Information Sheet and/or listened to an explanation about the research

Title of project: Using stories to support students' engagement and achievement with Y9 science	
Ethical review reference number:	Version number: 1 04/08/2020
	Tick or initial
1. I confirm that I have read and understood the information sheet dated 04/08/2020 for the above project. I have had the opportunity to consider the information and asked questions which have been answered to my satisfaction.	
2. I consent voluntarily for my son/daughter's science assessment data to be used in this project.	
3. I consent voluntarily for my son/daughter to participate in the completion of a survey on attitudes to science, on two occasions.	
4. I would like to opt my son/daughter out of the observation part of the study (Note that ticking this box means they will not participate in the observation). I understand that if I choose for my son/daughter to opt-out two lessons will still be observed but no data will be collected on my son/daughter.	
5. I consent to the processing of my son/daughter's personal information for the purposes explained to me in the Information Sheet. I understand that such information will be handled in accordance with the terms of the General Data Protection Regulation (GDPR) and the UK Data Protection Act 2018.	
6. I understand that my son/daughter's information may be subject to review by responsible individuals from the College for monitoring and audit purposes.	
7. I understand that it will not be possible to identify my son/daughter in any research outputs	
8. I understand that the information that my son/daughter submits will be published as a report.
